

You're Invited to CAPSA's Stakeholder Information Session - Pension Plan Risk Management Guideline

What: Information Session

When: September 6, 2023

Time: 2:00-3:00 p.m. EDT

Where: Virtual

The Canadian Association of Pension Supervisory Authorities (CAPSA) is hosting a virtual information session for pension plan stakeholders.

CAPSA recently released for consultation a draft of the CAPSA Pension Plan Risk Management Guideline. The Guideline's purpose is to support plan administrators in fulfilling their fiduciary obligations, including appropriate consideration of their applicable standard of care related to managing risks.

Please join CAPSA members and representatives for an opportunity to learn more information and to ask questions about the draft Guideline.

The event will be delivered in English. Materials will be provided in English and French closer to the date.
