On May 29, 2019, the Government of Ontario passed the *Financial Professionals Title Protection Act, 2019* (the ON Act). The ON Act along with a summary of its provisions can be found at <https://www.ola.org/en/legislative-business/bills/parliament-42/session-1/bill-100>

We are reviewing the regulation of financial planners and financial advisors in Saskatchewan, including the use of financial planner and financial advisor titles, and would like to hear your views. In addition to your general views on the issue, we specifically would like to hear your views on the ON Act and whether Saskatchewan should follow the same or a similar approach.

Please provide your response in writing by September 9, 2019 to:
